

## Earn a \$500.00 Credit Towards Your Company's ASRP™ Annual Fee by Referring Your Colleagues, Customers or Suppliers to AGS

*Dear American Global Standards Customer,*

*American Global Standards, LLC is excited to share details of the AGS referral program with you. Current AGS certified customers can earn a **\$500.00 credit** towards their next annual certification fee **or receive a \$500.00 check** for every customer referred to AGS that becomes certified through the **ASRP™ (Advanced Surveillance & Recertification Program™)**.*

There is no limit to how many customers you can refer and no limit to how many times you can receive the \$500.00 credit/check for \$500.00.

**We encourage you to tell customers, suppliers, and friends about American Global Standards ASRP™ Program for ISO certification that only costs companies \$1725.00 a year.**

We also have 3'x5' flags with the ISO 9001 or ISO 14001 logo for sale for \$95, which includes shipping. The ISO 9001 & ISO 14001 flags are a good way to promote your ISO certification outside your facility or in your factory and office areas.

Thank you for taking the time to forward this information along to any of your contacts who can benefit from *American Global Standards ASRP™*

***We look forward to hearing from you soon!***

Best regards,

Stephen Keneally
